"Absolutely fabulous! That is what describes Elegant Weddings by Lisa. I was a busy bride that wanted to be hands on but also have someone with the experience and knowledge to help me plan a beautiful wedding celebration. I did some research and came across Elegant Weddings by Lisa and I am so happy that I did.

From my first meeting with Lisa I knew I was in good hands. She has so much knowledge and experience and was worth every penny and more. Lisa helped to make the planning of my wedding go so much smoother than if I had did it on my own. It's amazing how many elements it takes to prepare for a wedding and Lisa knew them all. My family and friends were also very impressed with the services of Elegant Weddings by Lisa. I received so many compliments on the attention to detail and organization of the rehearsal and wedding ceremony/reception. My wedding was quite a production and it turned out to be such a beautiful and exciting experience and I truly believe that Lisa was a big part of that. I got married almost two months ago and people are still talking about it.

I could just go on and on about Lisa but I would tell anyone that is looking for an excellent wedding consultant; you have found the right one with Elegant Weddings by Lisa."

"Thanks for doing such an incredible job coordinating! You offered more than we could have ever done ourselves, especially with negotiating costs and contracts. Your services were worth every penny, plus. What we appreciate the most is that you stood beside us in every decision we have made in planning our special day. This is the essence of the best of wedding planners. In you we found sincerity, understanding, and patience in helping us make our wedding all we ever dreamed. At this day we are happily married and reflect on our wedding experience with you being a meaningful element. You are a true professional and we plan to recommend you to friends and family in the future."

"I can't say enough to express how grateful I am to Lisa for all she did to make our special day truly wonderful. We planned our wedding in St. Augustine all the way from Seattle, WA which is no small feat. Lisa made it painless and fun and took care of everything leaving us with the fun stuff. We couldn't have coped with all the planning details while maintaining our busy lives without Lisa's help. The weekend of the wedding was especially wonderful. Lisa told all of our friends and family to call her not me, the bride, leaving me to relax and enjoy my day rather than fretting over all the details. Everything came together perfectly. Our day was magical in large part because Lisa was a part of it. Thank you, Thank you, Thank you."

Living away from Jacksonville, I didn't think we could have the wedding of our dreams on the beach. I wouldn't have known where to begin! As a PHD student, I have enough things to worry about and my wedding shouldn't have been one of them! We didn't have to worry about a thing. I was relaxed, calm, and could enjoy every minute of the ceremony and reception. Thank you, Lisa. We'll never forget how much you helped us and how wonderful you were!

"You were there for us throughout thank you! You were a big part of the magical wedding day experience. It all flowed beautifully, and I loved your calm influence especially on the big day (and the rehearsal)."

Sally E.

"If you are planning a wedding call Lisa! Lisa is literally outstanding. I'm a pretty laid back person and I like to be a part of the planning process. So I opted to choose my own vendors. She was never pushy, always very professional; she gave me tons of advice that helped make my wedding amazing. When I had issues with the vendors I chose, she was able to offer other vendors that did an excellent job! All of which spoke very highly of her and offered first rate service simply because of my connection with Lisa. Lisa made sure I was not stressed on the Wedding day and made sure everything was in its place nicely and on track! Like I said... if you're planning a wedding, call Lisa!"
